

EMPLOYMENT OPPORTUNITY

Competition Number:	GIM AH 876/18 (Please state this number when applying)
Position Title:	Speech Language Pathologist – Preschool
Position Code:	SPEECHLANGPREtemp_01
Facility/ Site/ Location:	Gimli Health Centre (or may be TBD)
FTE:	0.50 Term (September 4, 2018 – August 30, 2019)
Hours of Work:	Hours 7.25 – Days
Union:	MGEU Technical Professional
Wage/ Salary:	As per applicable collective agreement

Position Summary: Under the direction of the Regional Director Allied Health, the Speech Language Pathologist – Pediatric (SLP-P) will be responsible for the coordination and provision of pre-school speech language pathology services in facilities and communities with the Interlake-Eastern RHA in collaboration with the multidisciplinary team and the external agencies/services. As a member of the Interlake-Eastern RHA, the SLP-P will promote prevention, early identification and efficient community based intervention for communication disorders. The SLP practice will be based upon a client/family centered approach. The science of communication disorders will be applied for prevention, early identification, assessment, diagnosis, intervention, and counseling of any pre-school child in the Interlake-Eastern RHA having a disorder of condition affected communication. The incumbent demonstrates professional responsibility and accountability. The position of Speech Language Pathologist –Pediatric functions in a manner consistent with, and supports the Mission, Vision and Values of the Interlake-Eastern Regional Health Authority.

Qualifications:

- Masters Degree in Speech Language Pathology required
- Active registration and hold a valid certificate of practice with the College of Audiologists and Speech Language Pathologists of Manitoba
- Eligibility for membership in Speech-Language and Audiology Canada (SAC) or the American Speech and Hearing Association (ASHA) preferred
- Proficiency in Microsoft Office Applications
- Three (3) years recent experience in the field of Speech Language Pathology preferred.
- Previous experience in an institutional setting required and additional experience in a community therapy services setting preferred.
- Previous experience with relevant population is preferred.
- Strong organizational, interpersonal, problem solving, decision making, verbal, and written communication skills.
- Ability to build and maintain positive working relationships and to work in a multi-disciplinary team based working environment.
- Demonstrated ability to work both independently and as part of a team.
- Skilled ability in the assessment, identification, and treatment of pre-school clients with diverse diagnoses.
- Demonstrated ability to meet the physical and mental demands of the job.
- Valid drivers' license.
- Given the cultural diversity of our region, the ability to communicate in more than one language would be considered an asset.
- Completes and maintains a satisfactory pre-employment security check.
- Satisfactory employment record.
