18-076 A temporary .5 FTE to 1.0 FTE (with possibility of continuing), **Speech & Language Pathologist** position is available effective **September 03, 2019 to June 26, 2020**.

School District 72 is located on the east coast of central Vancouver Island, extending north to Sayward and south to Oyster River serving a population of approx. 43,000.

The Campbell River region offers amazing outdoor adventure opportunities; there are over 100km of mountain biking trails in Campbell River alone. The community stretches along the beautiful coastline of the Pacific Ocean with access to many local islands, including Read, Cortes, and Quadra whose families are served by the SD72. Campbell River attracts visitors from around the world to explore its impressive waterfalls, rustic campgrounds, and many hidden lakes. For those who prefer a bird's eye view, the Mount Washington Resort offers year round outdoor activities such as skiing, hiking, and extreme mountain biking.

The District's Speech & Language Pathologists are part of Learning Support Services Department, an active, dynamic, and innovative team of associated professionals who bring a high level of specialized skills to work with our teachers, support staff, and students at the centre of education in the District's schools.

Joining our team offers the autonomy to develop therapy intervention within a strong and cohesive multi-disciplinary environment.
