- must have strong technology skills in order to complete all recording and reporting requirements
- works collaboratively with school and program-based teams to support and promote student learning
- will provide services including assessment, programming and therapeutic interventions, and consultative services

Please enclose a cover letter, complete resume, copy of official university transcripts, and most recent performance appraisal reports along with three professional references to ehunt@svsd.ca. Please direct questions to the Student Services Achievement Coordinator Patti Hack at phack@svsd.ca.

The Swan Valley School Division has approximately 1,400 students and 120 teaching staff within seven schools. It is located in the South Western part of Manitoba and situated in the beautiful Swan Valley Parkland area. The Division serves the communities of Benito, Birch River, Bowsman, Mafeking, Minitonas and Swan River.

Swan River, population 4200, is the main trading centre within the scenic Swan Valley Parkland area. Economic activity combines agriculture with forestry as well as major tourist activity in the areas of hunting and fishing. Swan River is 500 kms. Northwest of Winnipeg and 185 kms North and East of Yorkton, SK. See what the Valley has to offer <http://discoverswanvalley.ca/>
