We are

Manitoba Possible. We believe an inclusive and accessible society is possible. That is why we work together to eliminate barriers to full and equal participation. Manitoba Possible provides programs & services throughout the province. The way we do that is by working collaboratively, diversifying in every way possible, and innovating at every level.

You are

A Speech Language Pathologist. Based out of the SSCY Centre Office, you will provide services to preschoolers and their families. As a family-centred program, parents and caregivers are the key members of this team based, consultative service. Other team members may include child development workers, case managers, Occupational Therapists, Physiotherapists, Audiologists and Early Intervention Specialists. These team-based services are provided in community settings such as childcare centres, nursery programs and homes to ensure that all children have the opportunity to reach their full potential.

Your Role

- Work along side parents and caregivers to determine strengths and priorities for the child and family.
- Support the family's goals through provision of services delivered in a consultative model.
- Interpret, document and communicate evaluation information through written and verbal reports.
- Establish effective collaborative relationships with consumers and collaterals.
- Demonstrate leadership within the team through identification of program/consumer needs, issues or service gaps, and participating on community committees, as requested.
- Conduct/assist in formal presentations and workshops as required.
- Participate in student supervision or peer mentoring/supervision as requested.
- Participate/contribute regularly to meetings pertaining to program development and /or professional development.
- Complete monthly statistical records regarding consumer caseload, and submit mileage, additional expenditures, etc. in a timely manner.
- Practice in compliance with Privacy legislation (i.e., PHIA, PHIPPA, PIPEDA). Collect and review consumer information in order to initiate assessment.

What You Know

- Registered with the College of Audiologists and Speech-Language Pathologists of Manitoba (CASLPM)
- Demonstrated knowledge and experience in pediatrics
- Experience with consultative/collaborative service delivery model
- Commitment to family-centered practice
- Strong organizational/communication skills with sensitivity to diversity
- Demonstrated basic knowledge and experience with computers
- Ability to work effectively as an interdisciplinary team member
- Physical health necessary to meet demands of the position
- Valid driver's license and access to vehicle
- Willing to travel within Manitoba

We are offering Part-time term, Full-time term and Part-time permanent positions. There is opportunity to combine the part time positions if desired. Full details at: <https://www.manitobapossible.ca/careers>
