Regulatory Matters*Complaints Investigation*

As of the writing of this report, one complaint and one appeal have concluded. Two new complaints are being reviewed.

CASLPM wishes to thank Patrick DeWarle for his dedication to and service on the Complaints Investigation Committee (CIC). Patrick contributed his expertise to significant changes made to process over the past few years. We wish him well in his future endeavours.

There is a vacancy on the CIC for an audiologist from anywhere in the province. More information about committees can be found on the website. Interested audiologists may contact the Registrar to discuss the commitment associated with serving in the CIC.

Committee Matters*Practice Advisory Committee (PAC)*

The Supervision Practice Direction and accompanying guidelines for audiologists and speech-language pathologists were distributed to Registrants on April * for implementation on September *, 2025. Registrants are invited to contact the Registrar with any questions or to join a meeting to discuss any questions about the new PD and guidelines.

The PAC continues to work on the following guidelines:

- Guidelines on Diagnosis (first draft presented to Council).
- Guidelines for Audiologists on Referral to Otolaryngology (first draft presented to Council).
- Guidelines on Responsible Use of AI (first draft presented to Council).
- Guideline on Interprofessional Collaboration of Public and Private Practitioners (research).

Council Strategic Focus and Tactical Items

- A working group of Council is focusing on relationships with registrants.
- A working group of the Council Chair and Registrar/Executive Director are focusing on Council nominations and strategic recruitment.
