

***Come and join our growing therapy team at Manitoba Possible.***

**Position:** Speech Language Pathologist

**Reports To:** Clinical Manager, Provincial Outreach Therapy for Children

### **THE POSITION**

The successful applicant will provide pediatric Speech Language Pathology services. These services will be provided in a family centred and consultative model to families and caregivers in community settings such as homes, childcare centres, and nursery programs. SLPs will work on a team with Occupational Therapists, Physiotherapists and Professionals from other agencies to ensure that all children have the opportunity to reach their full potential.

The position is based out of [SSCY Centre](#) in Winnipeg with services within Winnipeg and itinerant travel to Thompson, Parkland and Churchill. Travel outside of Winnipeg is anticipated every 4-6 weeks to support children and their families in their home region. The length of these trips is 3-4 days. The remainder of the time offers flexibility for work at SSCY Centre and at home. The successful applicant will have the ability to set their own schedule within a typical work week and can plan for travel to align with personal schedules.

Any hours including travel to and from communities above the 53<sup>rd</sup> parallel are paid a Northern Premium of 10% above the regular wage. Expenses are covered for all travel and overnight costs including a per diem for meals. Our program embraces Manitoba Possible's values of Collaboration, Diversity and Innovation by supporting our staff through personal professional development and working as part of a multidisciplinary team.
