

Position: Speech-Language Pathologist (Virtual)

About TinyEYE

At TinyEYE Therapy Services, we believe every child deserves access to care that helps them thrive. For over 20 years, our team of dedicated Speech-Language Pathologists, Occupational Therapists, and mental health professionals have partnered with schools to bridge gaps, support educators, and bring therapy where it's needed most. Together, we're creating brighter futures, one student at a time.

About this role:

As a Speech-Language Pathologist with TinyEYE, you'll be part of a team that shares your commitment to helping students succeed. This **part-time**, virtual role allows you to deliver high-quality speech therapy from home while working hand in hand with educators and families.

Details:

- Hours per week: 22.5
- Age Range: Pre-school to High School

Responsibilities:

- Empower students by delivering engaging virtual speech therapy tailored to their needs
- Guide communication growth through assessments, treatment planning, and progress monitoring
- Partner with educators, families, and school teams to create supportive learning environments
- Contribute your expertise in IEP and multidisciplinary team meetings

Qualifications:

- Active Manitoba SLP license and Registrant of the College of Audiologists and Speech-Language Pathologists of Manitoba.
- Preferred: school-based or pediatric therapy experience
- Strong interpersonal, advocacy, and communication skills
- Commitment to supporting student success and well-being

Why Work With Us?

- Consistency: Full-time, school-based role with steady caseloads
- Competitive Pay: Earn \$55-65 for both direct and indirect service time
- Impactful Work: Support students from Pre-K through High School in communication growth
- Independent Contractor Role: 1099 contractor model offering flexibility and autonomy

Your expertise can change the trajectory of a child's life. Ready to make an impact? Apply at www.tinyeye.com or feel free to email us at dreamteam@TinyEYE.com
