Concluding remarks
Professor Charlotte Enns

Communication Interventions with Deaf People is published by Oxford University Press as part of their Perspectives in Deafness series and presents a unique collection of deaf and hearing academic and practitioner expertise on a topic that is not readily available to practitioners.

For more information or to order a copy, click [here](#), using discount code AUFLY30 to receive a 30% discount.

Simultaneous interpretation will be provided in ASL, BSL and IS.
English closed captions will be available for Zoom attendees.

Supported by City St George's, University of London, in conjunction with Language First.
